

TECHNICAL INFORMATION

SUBJECT: Guide bar stud on **ECHO CS-260T, CS-260TES, CS-270WES, CS-280T, CS-280TES, CS-281WES, CS-310ES, CS-353ES, shindaiwa 280TS, 280TCS and 305S**

Number: Y2014-552
Issued: Sep. 30, 2014

Changed guide bar stud screw pitch		
CS-260T (36)	Serial Number 36017239 and before	Serial Number 36017240 and after For spare parts
CS-260TES (20)	Serial Number 20007766 and after	Serial Number 20007765 and before For spare parts
CS-260TES (24)	Serial Number 24002150 and before Serial Number 24002581 and after	Serial Number 24002151 to 24002580 For spare parts
CS-260TES (30)	Serial Number 30009800 and before Serial Number 30012251 and after	Serial Number 30009801 to 30012250 For spare parts
CS-260TES (36)	Serial Number 36111947 and before	Serial Number 36111948 and after For spare parts
CS-270WES (30)	Serial Number 30003035 and before Serial Number 30003356 and after	Serial Number 30003036 to 30003355 For spare parts
CS-280T (37)	Serial Number 37002601 and after	Serial Number 37002600 and before For spare parts
CS-280TES (37)	Serial Number 37011806 and after	Serial Number 37011805 and before For spare parts
CS-281WES (37)	Serial Number 37002351 and after	Serial Number 37002350 and before For spare parts
CS-310ES (37)	Serial Number 37052320 and before Serial Number 37052421 and after	Serial Number 37052321 to 37052420 For spare parts
CS-310ES (20)	Serial Number 20002958 and before Serial Number 20003259 and after	Serial Number 20002959 to 20003258 For spare parts
CS-310ES (24)	Serial Number 24001500 and before Serial Number 24002001 and after	Serial Number 24001501 to 24002000 For spare parts
CS-353ES (20)	Serial Number 20001651 and after	Serial Number 20001650 and before For spare parts
CS-353ES (25)	Serial Number 25001631 and after	Serial Number 25001630 and before For spare parts
280TS (37)	Serial Number 37003551 and after	Serial Number 37003550 and before For spare parts
280TCS (37)	Serial Number 37001871 and after	Serial Number 37001870 and before For spare parts
305S (24)	Serial Number 24002140 and before Serial Number 24003121 and after	Serial Number 24002141 to 24003120 For spare parts
305S (37)	Serial Number 37005250 and before Serial Number 37006051 and after	Serial Number 37005251 to 37006050 For spare parts
Guide bar stud	 <p>Self tapping screw M8 Pitch: 2.12mm</p>	 <p>Self tapping screw M8 Pitch: 1.25mm</p>
<p>Guide bar stud V225-000031 only is supplied as spare parts. Guide bar stud V225-000030 can be replaced with V225-000031. When repairing, apply a drop of Loctite 242 or equivalent to engine cover side of Guide bar stud.</p>
